

Our Vision

LoLa is a volunteer-driven community organization that showcases, nurtures and supports Longfellow arts and artists. We strive to represent the diversity of the Longfellow neighborhood through the arts.

Our Mission

LoLa partners with neighborhood arts organizations, nonprofits, small businesses, and residents to design and host a variety of events and activities that:

- Support Longfellow artists at any stage in their creative lives, and
- Invite and encourage community participation in the arts.

LoLa Is Run by Volunteers

It takes months of planning (all volunteer) to make the LoLa Art Crawl happen. We could use your help! Volunteer activities range from a few hours during the crawl, to helping organize LoLa events throughout the year. If you are interested in getting involved, please contact LongfellowArtists@gmail.com.

LoLa Appreciates Sponsors

In order to keep artist registration fees low and affordable to all artists, LoLa relies on sponsor donations for a significant portion of the art crawl budget. Sponsoring makes a statement about the value your business or organization places on arts in our community.

Thank you to our LoLa Art Crawl 2026 Patron and Leader Sponsors!
